PPP&M & Comptroller
21 July 1980Extract from the Staff Meeting Minutes of 18 July 1980:

Mr. Carlucci said he learned yesterday the Congressional Conference Report re SES (SIS) will limit bonus payments to only 25 percent of those eligible in 1980; further, the report provides for no payments in 1981. It was noted this action apparently results from some agencies, NASA for one, moving too early in 1980 to reward a number of employees in excess of the 25 percent limit on eligibility. Fitzwater and Lipton explained the lack of funds for payments in 1980. Mr. Carlucci asked Fitzwater and Lipton with OLC to look into this as it relates to our situation in 1980 and advise. (Action: OPFM, in coordination with Comptroller and OLC)
